DIFFERENTIATORS

- **One accountable point of contact.** TIG handles pricing, subcontractor selection and payment, on-site quality checks, insurance, and compliance, so the prime manages one relationship.
- **Veteran leadership with an active TS clearance.** The owner is a U.S. Army veteran with a service-connected disability and holds an active Top Secret clearance.
- **Disciplined project control.** PMP-certified management, with documented subcontractor oversight and quality inspections.
- **Compliance-minded.** Familiar with Service Contract Act wage determinations, limitations on subcontracting (13 CFR 125.6), and tracking subcontractor certificates of insurance.
- **Cyber-literate teammate.** Owner credentials include CompTIA SecurityX (CASP+), Security+, and ISC2 CC, which helps primes with NIST and CMMC flow-down requirements.
- **Nationwide and responsive.** Serving clients nationwide with quick mobilization through vetted partners.

PAST PERFORMANCE

Corporate: TIG is a newly formed company (Oct 2026). **[TIG contract past performance: add after first award]**

Owner's relevant experience (individual, not TIG contract performance):

- **U.S. Army:** Enterprise Center IT Manager (Kuwait), supporting four network enclaves and 5,000+ users, including data-center expansion work that covered HVAC, power distribution, and fiber.
- **U.S. Army:** Division Chief, Unified Communications (Naples, Italy); Information Systems Engineer (Augusta, GA). Led secure communications, RMF/STIG compliance, and technical teams.
- **Defense contractor (GDIT), Homestead, FL:** Senior Information Security Analyst on classified systems (RMF, POA&M, control assessments).
- **Credentials:** PMP · CompTIA SecurityX (CASP+) · Security+ · ISC2 CC · B.S. Computer Information Technology
